BUILDS COMMUNITIES”

GLAR Leadership Academy

Today’s emerging leaders will shape our industry and guide the Greater Lakes Association of REALTORS® of tomorrow! The GLAR Leadership Academy is designed to identify emerging REALTOR® Leaders and empower them to maximize their leadership potential.

In addition to advancing participants’ efforts to build successful real estate careers, the GLAR Leadership Academy expands the pool of candidates for future Association Leadership by introducing participants to the committee/leadership structure, strategic objectives and operational practices GLAR employs to achieve its goal of fostering “Building Leaders Builds Communities”.
